

Propeller Bonds

December 7, 2021

Express Markets introduces Propeller. It's the entire surety bond market, made effortless.

Online Surety Bond Platform

Propeller is a digital MGA which completely automates the entire lifecycle of surety bonding. Propeller white-labels a custom link (URL) with the branding of agents and brokers, allowing the platform to be used internally by agents or be customer-facing for clients to self-service. Most bond purchases can be completed in under 2 minutes, and bonds come electronically signed and sealed. Watch a condensed [Propeller DEMO](#) below!
